

## Summer Classes 2006

### TREASURE MAPS 101:

You can have a Treasure Map!  
Make one and discover your treasure!

Did you ever think that if you just had a map, you could get where you are going? How right you were!

But you might not have known how to get that map....  
Well, you make your own. Yup. Come join other zesty cartographers and adventurers to encourage and explore and cut and paste.

- ✍ Create a representation of the treasure(s) you want in your life,
- ✍ Commit to consulting it on a daily basis
- ✍ Be amazed at what materializes in your life.

\$15 covers light continental breakfast and supplies. (Feel free to bring magazines and scissors for clipping!)

Saturday, June 17  
9:30-11:30 am
